

Packaging View

The “Packaging View Subscription”

A professional and supplier independent support to answer all your packaging questions with the use of the Packaging View subscription

What does the subscription include?

- ✓ The execution of a Quick Scan
The packaging process and packaging concepts will be mapped. You will have a good survey of the bottle-necks that can be tackled and the opportunities that will come up in the near future.
- ✓ Teleconsulting for free
You can call or email all your questions about your packaging issues without paying extra costs. If possible you get an answer immediately.
- ✓ You will have permanent contact person
He will become acquainted with your company by executing a Quick Scan and therefore can work for you efficiently and purposefully.
- ✓ Conference on packaging issues
Two times a year your Packaging View consultant will organize and facilitate an integral conference on packaging issues at your company
- ✓ Reduced tariff
For all other project activities you have your own packaging specialist, but at a reduced rate

What are the costs?

- ✓ Depending in your situation and location, but approx.. 13.500 CZK / month, excl VAT.
- ✓ Reduced rate for project activities of 1.350 CZK / hour, excl VAT.

*With the subscription of Packaging View
you will dispose of an expert at any required time:
your own packaging manager within reach*
